

A photograph of a spiral galaxy, likely the Andromeda Galaxy, showing its characteristic spiral arms and a bright central core. A white scale bar is overlaid on the image, indicating a distance of 100,000 light years. The text "100,000 LIGHT YEARS +" is written in white, bold, sans-serif font along the scale bar.

100,000 LIGHT YEARS +

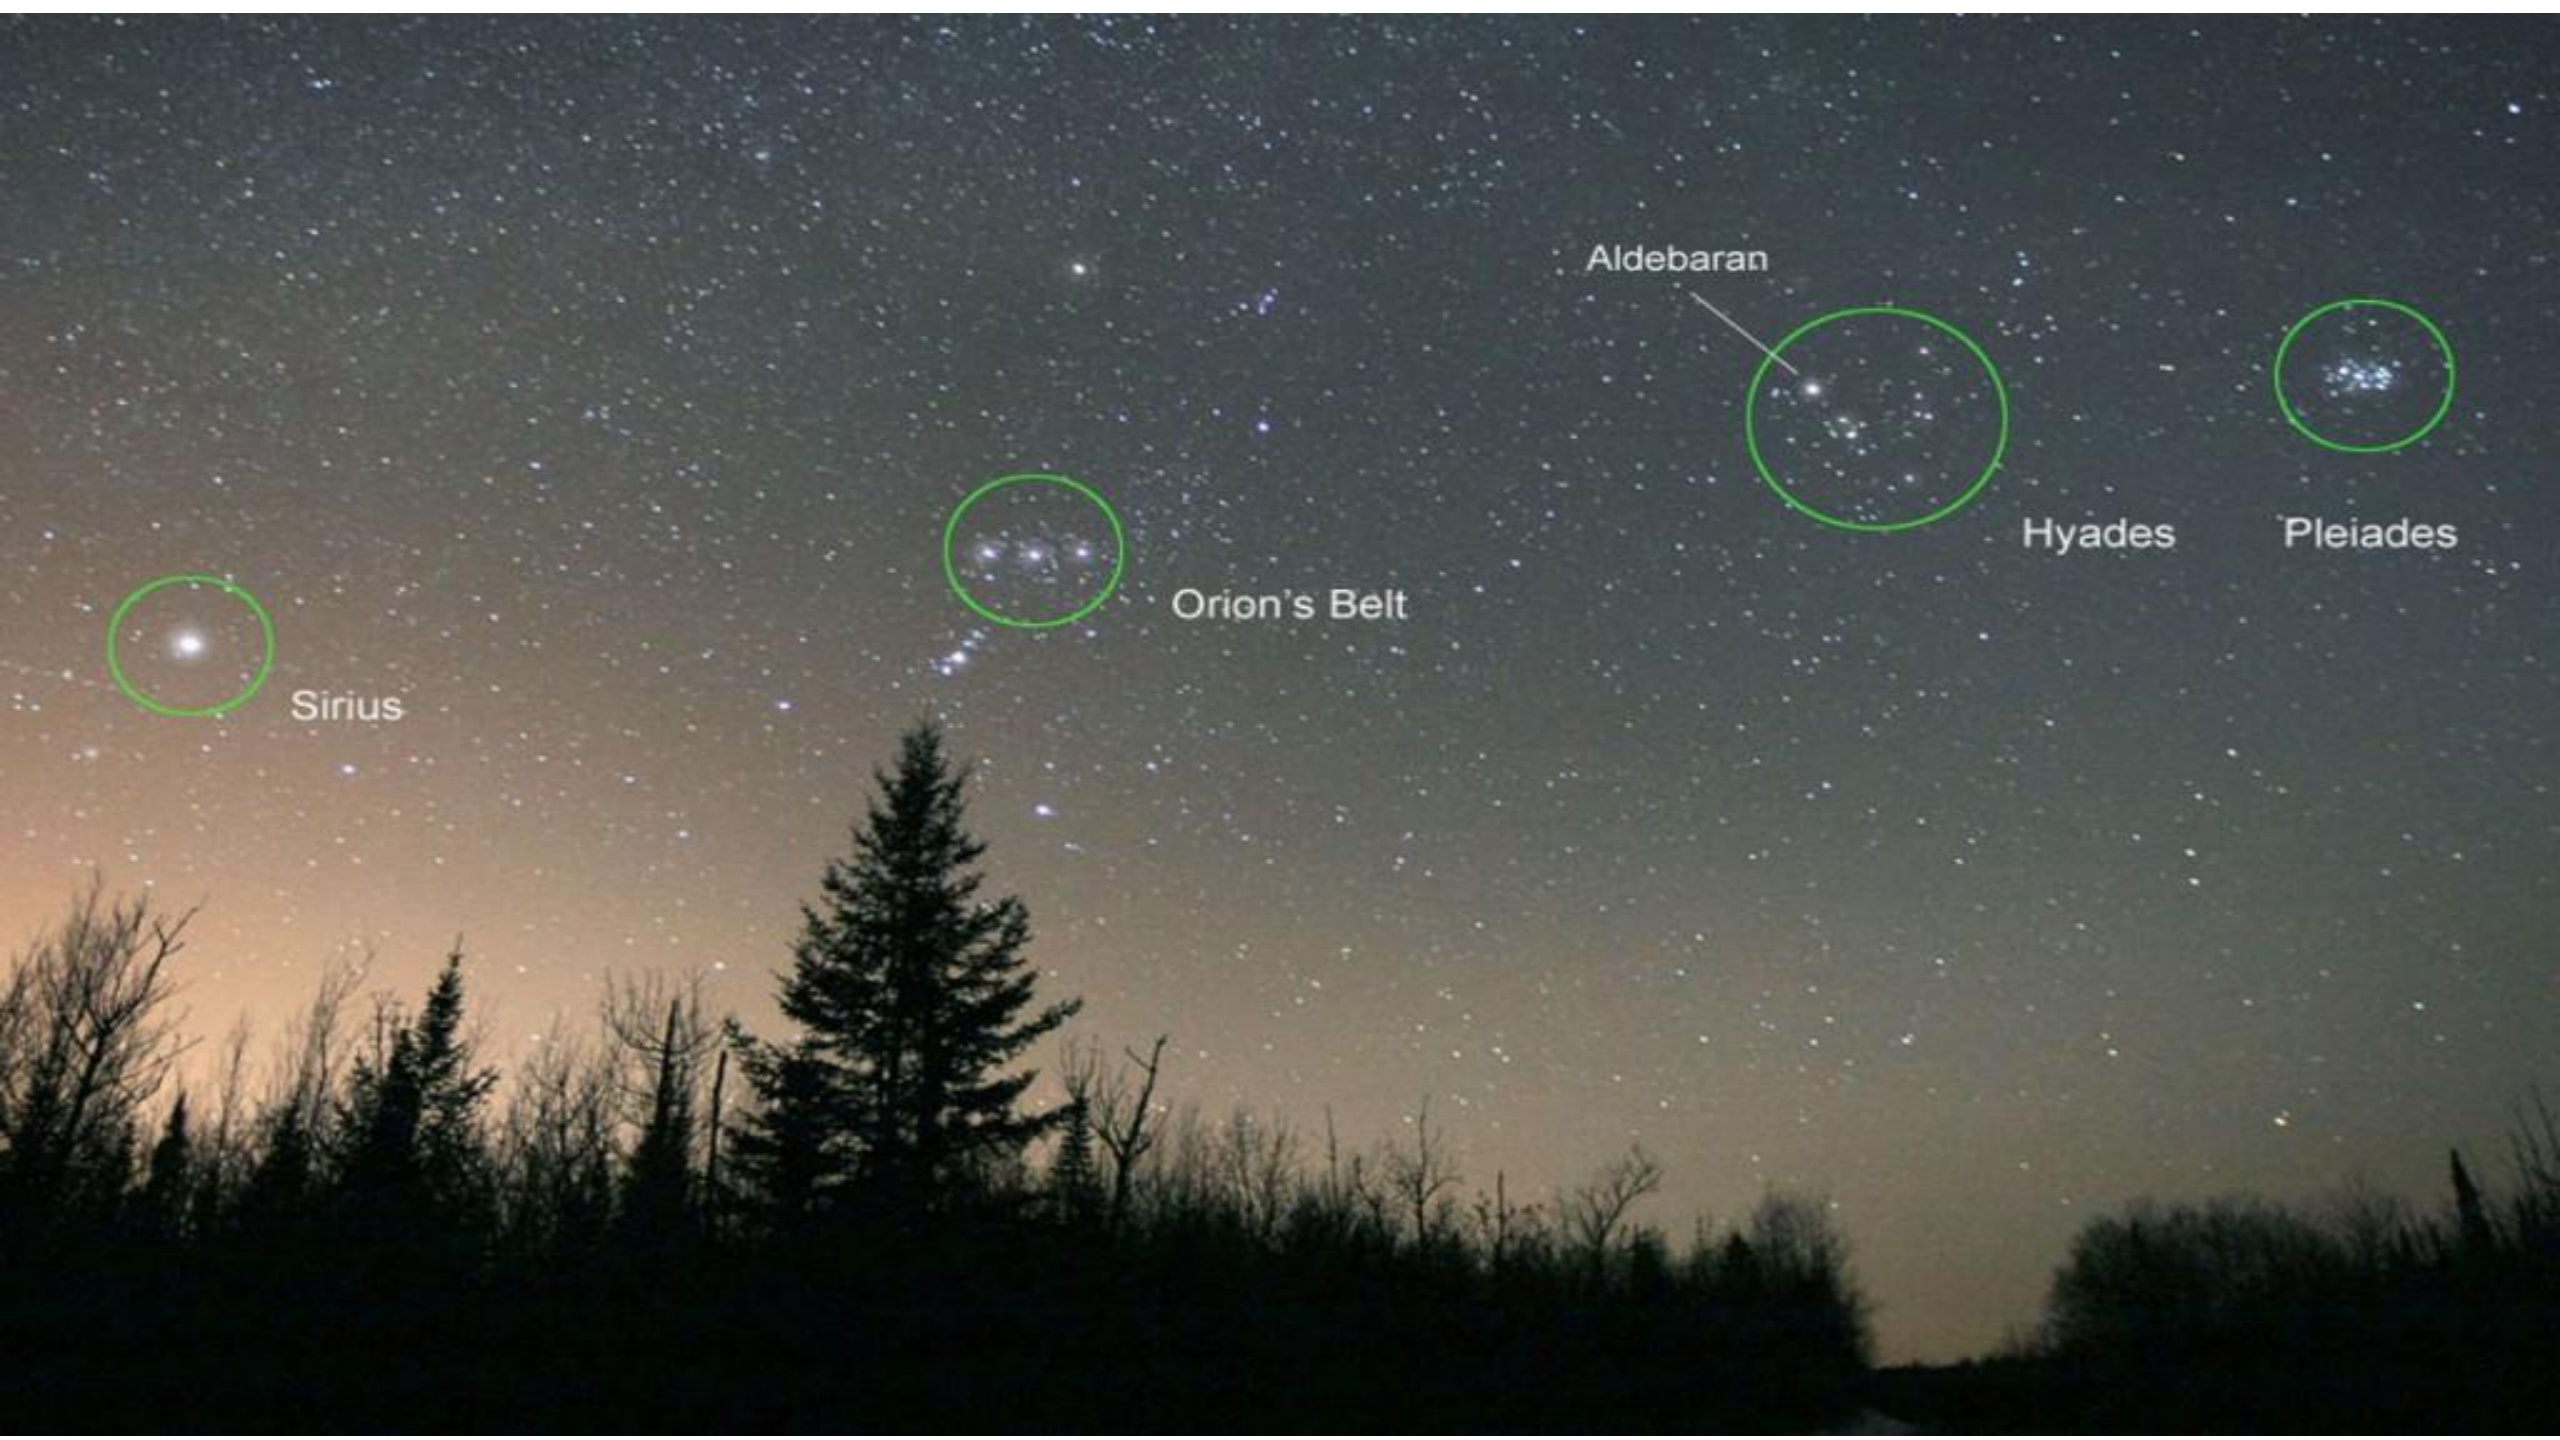

Sirius

Orion's Belt

Aldebaran

Hyades

Pleiades
