

Bread of Life Church

COVID Procedure

Social Distancing - Accommodations will be made to support social distancing practices.

- Our sanctuary seating will be spaced out.
- Masks are not required but we encourage you to practice social distancing. We will provide masks at the door for those who want them (if you want to use your own, you are more than welcome).

Cleaning, Disinfecting, and Hygiene - Our church will abide by the [*Guidance for Cleaning and Disinfection for COVID-19 For Houses of Worship*](#) on the NYGov website.

- The church will be routinely cleaned and disinfected.
- Hand sanitizer will be available.

Common Sense

If you are sick, have a sick family member, or have recently been in contact with someone who has tested positive for COVID-19, please stay home. Do not feel obligated to attend the service if you are not comfortable (we will **Live-Stream service** on the Bread of Life Facebook page).

Lastly, let's all partner together in loving our neighbor. Not only should we consider our own safety but the safety of others, being aware of our own hygiene, and doing our best to have common sense when it comes to social distancing.
